

PARENT INFORMATION SHEET

The SLVC WAVE website is used to help facilitate all the activities of your team. The online Club Calendar will list every practice and tournament and your team page will have important info concerning the draws, hotels, as well as your coach's comments. Check back often for updates, and always the night before a tournament for unexpected changes in the schedule.

Fees sheets will be handed out in January. Fees range from \$600 (13U) to \$1200 (18U), depending on number of players and tournaments entered. Fundraising and donations will reduce this amount, and will be reflected on the final fee statement, or refunded at the end of the season.

Fees can be paid in two installments. \$250 deposit is required at signing and is NON REFUNDABLE. The balance is required before the first tournament.

Hotels will be blocked and parents are responsible for reserving a room with their credit card. Parents are required to stay with their child (or assign a chaperone) at all hotels and events. Parents are responsible for driving and accompanying their child to every tournament and all exhibition games.

Parent involvement is key to the success of your child's volleyball season and will help insure your child has a positive experience. Showing sportsmanship towards officials, coaches and opponents is required by parents and players at all events.

Disputes between parents, players or coaches need to be addressed in an appropriate manner and NEVER DURING GAME PLAY OR TOURNAMENTS. Send your coach an email to arrange a meeting before the next practice. This is to make sure all parties have some downtime to reflect and get emotions in check. Ideally we would like just the player to address her concerns with the coach first, and if the issue can't be resolved, a mediated parent/player/coach meeting will be scheduled. We will try our best to resolve all issues, so the team can move forward successfully with their season.

Any questions can be directed to Wayne or Cindy at slvcwave@gmail.com.
